

## Early Childhood Educators Cert III and Diploma qualified

### About the role

The Early Childhood Educator is responsible for developing and delivering a curriculum based on the Early Years Learning Framework.

### We are looking for:

- An educator with a passion for early childhood education and a commitment to their own professional practice
- Approved Early Childhood Qualifications - Diploma or Diploma Equivalent
- Critical thinking about the Early Years Learning Frameworks and demonstrated practice
- An educator who is productive, self-motivated and works with their team to achieve positive outcomes for children and the organisation.

### We can offer you:

- A network of support for the development of your professional practice
- A progressive planning platform where families can access children's educational programs through electronic portfolios
- A flexible and supportive work environment

To apply, send your resume and cover letter to:
